

## Access Application Form

<b>Information on the provider of the genetic resource requested</b>	
Name	CLC VEGO
Legal address	Village Veragi Logoisk district, Minsk Region, 223110 Republic of Belarus
Contact number	+375 1774 50 328
E-mail address	sto_vego@mail.ru
Contact person	Olga Goncharik
<b>Information on the potential user of the genetic resource requested</b>	
Name	SEPPIC
Legal address	50 boulevard National 92257 La Garenne Colombe Cedex France
Contact number	+33 1 42 91 41 34
E-mail address	marie-anne.milesi@airliquide.com
Contact person	Marie-Anne MILESI
<b>Biological type of the genetic resource (if known), including its Latin name</b>	Wild Blueberry <i>Vaccinium myrtillus</i>
<b>Number of samples</b>	The genetic resource is sourced for the manufacture of an extract used in finished products in the EU since 1987. The extract is then out of scope of the regulation. We plan to use this extract for a new research. The batch of extract we will use was manufactured from wild blueberry accessed on 09/10/2015.
<b>Brief description of samples</b>	Frozen blueberry packed in paper bags
<b>Type of use (research / commercial use)</b>	Research use
<b>Brief description and purpose of research / commercial use</b>	Evaluation of the effect of the extract of <i>Vaccinium myrtillus</i> on skin beauty
<b>Contract (draft contract) or collaboration agreement (draft agreement) (if available)</b>
