*Other documents and/or data required to implement an administrative procedure, upon request of the state body (any other organization) a citizen has applied to, shall be provided, in accordance with the established procedure, by state bodies, other organizations with the scope of competence related to their issuance, as well as can be submitted by a citizen independently.

Where the original document to confirm that the original payment has been made, subject to collection during the implementation of an administrative procedure, exists only in the form of an electronic document, an applicant may submit a hard copy of the form of the external presentation of that document formalized in accordance with legislative requirements (this requirement shall apply only in cases where a payment is made using the automated information system of the unified settlement and information space).

Where a payment is made, subject to collection during the implementation of an administrative procedure, using the automated information system of the unified settlement and information space, and information on this is available in an application of a stakeholder about the implementation of a

corresponding administrative procedure with an indication of the payment number, the submission of the document to confirm a payment collected during the implementation of an administrative procedure shall not be required.

The fact of a payment made, subject to collection during the implementation of an administrative procedure, using the automated information system of the unified settlement and information space, shall be confirmed by the availability in the automated information system of the unified settlement and information space of information on the payment made.

**In the case of a full release of a citizen, in accordance with legislation, from making a payment collected during the implementation of an administrative procedure, a citizen shall, instead of a document to confirm a payment, submit a document confirming the right to such a release, and in the case of a partial release, apart from the document to confirm a payment, – a document confirming the right to a partial release.

Where for the implementation of an administrative procedure that, in accordance with the given list, shall be implemented free of charge, a request of documents and/or information is required from state bodies and other organizations for the provision of which a fee is stipulated and citizens have failed to submit such documents and/or information independently, citizens shall pay for the provision of requested documents and/or information.

For the commission of legally significant actions, subject to a national duty, based on an application about their commission submitted electronically through the unified portal of electronic services of the nationwide automated information system, a national duty shall be paid in the amount of 50 % of the fixed rate for committing such actions (excluding legally significant actions that stipulate the full release of a payer from a national duty).

A payment in the form of a levy (a duty) shall not be made by an applicant in the case of repeated legally significant actions subject to a consular fee or a national duty in connection with the mistakes (including inaccuracies in issued (drawn up, reissued, certified, exchange) documents (their duplicates) or incomplete information in them) made during their commission due to the fault of the state body specially authorized for committing such actions, any other authorized organization, an official.
